Action Item: II.A. Endorsement of the 2023 Performance Accountability Report

The Performance Accountability Report (PAR) is a report required by the State of Maryland that assesses the College's progress on a variety of goals and objectives, including academics, enrollment, retention and graduation rates, financial aid, and student outcomes. The report provides data on specific metrics, as well as narrative describing strengths and challenges. Maryland law requires institutions to submit their PAR to the Maryland Higher Education Commission for review and final submission to the Governor and General Assembly.
