

Office of Accessibility Services Student November Newsletter

Submit your final exam testing room requests

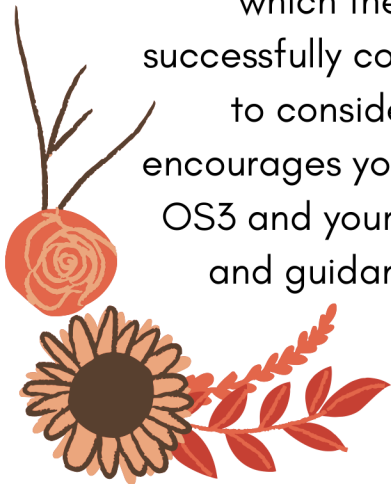

To do so, log into Accommodate through the OAS website or by using this QR code. In the accommodate portal, click "Testing Room" from the menu and then "New Booking Request". Choose the class the exam is in and then click check availability and choose the time slot you class falls under.

The Last Day to Withdraw From a Class is November 3rd

To withdrawal from a course, contact the professor and the registrar before November 3rd. There will be a fee of \$25. Withdrawing from a course will result in a "W" on the student's permanent record for the class in which they withdrew. If you cannot successfully complete a course, you may want to consider withdrawing. Our office encourages you to speak with your instructors, OS3 and your academic advisor for support and guidance in making this decision.

Due to the Thanksgiving holiday, the office will be officially closed, Wednesday, November 23rd through Sunday, November 27th.

The JED Foundation

JED is a nonprofit that protects emotional health and prevents suicide for our nation’s teens and young adults. JED partners with high schools and colleges to strengthen their mental health, substance misuse, and suicide prevention programs and systems. SMCM’s membership in JED Campus begins with establishing an interdisciplinary, campus-wide team to assess, support, and implement program, policy, and system improvements and completing a confidential, self-assessment survey on its mental health promotion, substance use, and suicide prevention efforts. To connect with JED on campus, visit <https://www.smcm.edu/jed/> or scan the below QR code.

Submit Academic Accommodation Requests for Spring 2024

Advising appointments are held October 30th to November 3rd, and then students will be able to register for classes according to their assigned time on the SMCM portal. Semester accommodation requests should be submitted after registration. Scan the below QR code to be walked through this process.
